

DISTRIBUTION SUPPLIES LTD

We have an immediate sales vacancy for an AREA SALES MANAGER

We are now searching for a sales professional who has an ability to sell wall & floor tile stock into independent tile outlets in SOUTHEAST ENGLAND.

This vacancy is within a large established successful market leading company & therefore, presents an opportunity for the successful applicant to get this already successful divisional business further established with increased sales within this territory. The successful applicant will be joining an established ambitious sales team. The candidate will ideally be based in the sales territory described.

Covering the territory cover a line east of the M3 to include the M25 & east of the M11.

Samples will be provided so some lifting required to present the tiles to the customers.

Candidates must have a strong selling background (Retail acceptable) & be able to sell on a one-to-one basis.

Professional Sales training will be offered if required.

YOU MUST BE ABLE TO SELL & CHAT TO CUSTOMERS!

The product portfolio will be an extensive range wall & Floor tiles with some natural stone & mosaics, which will have a competitive edge through quality & price.

Previous tile industry experience not necessary but a strong sales background in a retail environment or sales representation would be an advantage.

Salary will be circa £40-60k OTE + company supplied vehicle (Generous solid basic offered) plus, other associated benefits.

Applications welcomed from established Tile industry area managers or Tile Agents who want more security with confidentiality assured.

Do you want job security with a higher earning potential?

Apply now!
